

## VOLUNTEER ROLE DESCRIPTION

**Volunteer position**      **Group Member of [location] Community Group**  
**Location**                      **[Location]**

Blood Cancer UK is seeking to develop an active Community Group in [location] and is currently looking for Group members to support the Group.

We have an exciting vision for the future of our Community Groups. Over the next few years we'll be developing and supporting new Groups right across the UK. By developing our amazing Community Groups, we'll be able to reach more people in local communities than ever before. As a member of your local Group you'll be right at the heart of our plans.

Your Community Group will support Blood Cancer UK by raising funds for the charity, representing us at events and promoting our key messages within your local community. This will include collections, fundraising activities and fundraising events. You'll also receive donations on our behalf. Groups add to our range of skills and knowledge and are crucial to our regional fundraising.

Blood Cancer UK has a very good reputation for the fundraising we do, and it's important that we maintain the highest standards, so that our supporters will continue to have confidence in the charity. Your Group will be the local face of Blood Cancer UK and we will provide you with the tools you need to fulfill this role.

### About Blood Cancer UK

We are the largest UK blood cancer charity and the biggest dedicated funder of research into all types of blood cancer. We've been working to beat blood cancer since 1960 and we won't stop until we do. Our investment in research has been fundamental to the UK's development of a strong research base in blood cancers that's recognised for its quality around the world.
