Why volunteer at Blood Cancer UK?

We started because of Susan; we'll get there because of you.

Blood Cancer UK was started by one family who lost their daughter, Susan, to blood cancer, and that history and sense of family continues to shape who we are today. When you join Blood Cancer UK, you don't just become a volunteer – you become part of a collaborative community dedicated to funding research into beating blood cancer that includes some of the most inspiring people you'll ever meet.

And we're not that far away from beating blood cancer. We're confident we can do it within the next generation, and this makes us hugely ambitious and gives us a sense of real urgency. It also means we're changing quickly as an organisation as we constantly challenge ourselves and strive to become more and more effective.

Blood Cancer UK offers the chance to volunteer alongside, and support people affected by blood cancer, while providing opportunities to develop new skills, take on exciting challenges, and make a meaningful impact.

What do we do?

Fund
world-class
research

Raise
awareness
of blood
cancer

Provide
information
and support to
patients and
their loved ones

Since 1960 we have invested more than **£500 million in blood cancer research in the UK**. Where we've invested, survival rates and quality of life have improved.

“This is such a good place to volunteer. I’m learning every day and feel like I’m adding value.”

Jude, Ambassador

About the role:

Are you passionate about videography and looking for a meaningful way to use your skills? Blood Cancer UK is seeking talented and enthusiastic volunteer videographers to help capture our events and community activities across the UK.

Your videos will play a vital role in promoting our work, engaging supporters, and raising awareness of blood cancer. By capturing a diverse range of images of all participants at our events, we can inspire future registrations and encourage more people to get involved.

Key activities:

As a Volunteer Videographer, you will:

- Film high-quality footage for use on our website, social media, and in both internal and external communications (copyright of all content will belong to Blood Cancer UK).
- Engage with the family and friends of runners at our cheer points to create a supportive and lively atmosphere.
- Capture staff, volunteers, event participants, and our blood cancer community at organised events.
- Work to a creative brief, capturing candid and posed moments at events, fundraising activities, and community initiatives.
- Edit footage using video editing software, including tasks such as trimming, colour correction, and audio enhancement.
- Liaise with the Events, Fundraising, and Marketing teams to ensure videos align with our brand.
- Work alongside the Blood Cancer UK team to obtain consent when filming individuals.

About you – what skills, experience and qualities will you need for the role?:

We welcome videographers of all experience levels! Ideal candidates will have:

- Access to a high-quality video camera.
- Their own video equipment and editing software.
- Confidence in using a video camera competently.
- Experience filming content for social media.
- The ability to follow a brief and work independently.
- A keen eye for detail and storytelling through video.
- Strong interpersonal skills and the ability to work with diverse audiences, including children.
- Confidence in working independently and taking initiative.
- A well-organised and reliable approach.

Please note: Volunteer videographers should have their own insurance for equipment protection. Blood Cancer UK cannot cover damage, loss, or theft of personal photography equipment.

**“Volunteering here
will be THE best
thing you ever do –
you’ll become part of
the most amazing,
supportive family.”**

Gayle, Community Group Lead

**“I’m honored to
volunteer on the
Forum. It’s a privilege
to respond to &
support everyone
who posts.”**

Erica, Forum Support Volunteer

How you will make a difference:

By producing compelling videos of our events and community activities, you’ll help tell the story of our vital work.

Your footage will engage supporters, encourage donations, and highlight the importance of ongoing research, driving positive change in the fight against blood cancer.

How much time will you need to give?:

This flexible, ad-hoc role involves occasional on-site support at events or in the office. You can choose opportunities that fit your availability, with some events requiring 3–4 hours on-site and extra time for editing.

Location of the role:

This role is a mix of home-based and on-location work, depending on where our events and activities take place. We’re currently looking for volunteers in London, Birmingham, and Edinburgh.
