

## Welcome!

Dear Alice,

Welcome to the **Blood Cancer UK Clinical Trials Support Service** Newsletter.

We'll share with you quarterly updates on the latest trials and studies, as well as other news from Blood Cancer UK.

We know you've previously registered your interest in clinical trials and we'll continue to keep you in the loop on any trials which may be suitable. To help us do this, please do ensure we have your latest details.

Best wishes

Jane, Rachel, Lynne and Elizabeth  
The CTSS Team

## Meet the Team

The Clinical Trials Support Service started back in June 2020, and since that time we've helped hundreds of people by identifying potential trials.

Our current team is made up of three Clinical Trials Support Nurses and a Data and Administrative Officer:

**Jane**

Senior Clinical Trials Support Nurse

**Rachel**

Clinical Trials Support Nurse

**Lynne**

Clinical Trials Support Nurse

**Elizabeth**

Data and Administrative Officer

We're here to help you understand clinical trials and answer your questions.

Watch the team debunk some common misconceptions.

Fact or Fiction...?

**COVID spring boosters**

The government has now confirmed there will be another covid booster vaccine dose in Spring 2023, and another in Autumn 2023. People with blood cancer are eligible for this booster. Booking arrangements differ across the home countries.

**Your feedback matters**

This newsletter is a new way for the CTSS team to keep you informed about trials and other news from Blood Cancer UK. We'd love to know more about the kind of things you'd like to see in future editions.

If you have a couple of minutes, please complete our short survey using the link below:
